DJs have long been a staple in the music industry, and with the rise of electronic music, they have become even more popular. With this popularity comes a need for more places to buy DJ equipment, and Lyon is one of the best places to do just that. There are a number of great stores in Lyon that sell everything a DJ needs, from turntables to mixers to software.

The first store on our list is DJ Shop, which is located in the heart of Lyon. This store has been around for over 15 years and is one of the most well-known places to buy DJ equipment in the city. They carry all the major brands of equipment, and their staff is always willing to help you find the right gear for your needs.

Another great option for buying DJ equipment in Lyon is SonoVente. This store specializes in selling high-end audio equipment, and they have a wide selection of products from all the major brands. Their staff is also very knowledgeable and can help you find the perfect piece of equipment for your setup.

If you're looking for a more budget-friendly option, then check out Bax-shop. This store has a large selection of affordable DJ gear, and they also offer free shipping on orders over €100. They also have a loyalty program where you can earn points towards future purchases.

No matter what your budget or needs are, there's sure to be a store in Lyon that has what you're looking for. So get out there and start shopping for your new DJ gear!
